The Sutra of the Heart of Transcendent Wisdom

Beyond words, beyond thought, beyond description, Prajnaparamita
Prajnaparamita, inexpressible by speech or thought

Unborn, unceasing, the very Essence of Space
Unborn, unceasing, with a nature like sky

Yet it can be experienced as the wisdom of our own Rigpa
Which can only be experienced by Discriminating Awareness wisdom

Homage to the mother of the Buddhas of past, present and future!
Mother of the Victorious Ones of the Three Times, I praise and prostrate!
